DAYTON CITY TOUR/CARILLON PARK Friday, September 7

The birthplace of aviation, Dayton was once home to powered flight inventors Orville and Wilbur Wright. Your guide will narrate the significance of the many interesting sites along this tour, including Oregon District, the city's oldest suburb; the Civil War Monument; the Flyover, an award winning sculpture of flight; the Korean War State Memorial; and Memorial Hall, where veterans are remembered. Learn the history of the Miami Valley from the first settlers in 1796 to the influence of such entrepreneurs as Patterson, Deeds, Kettering, and Frazee. These notables and others made immense contributions to aviation, the arts, sports, government, and industry. There will be a short stop at the Esther Price Candy Store, now a successful candy distributor, which opened 50 years ago in Mrs. Price's basement. Next we will stop and visit Carillon Historical Park. Carillon Park celebrates the history of invention, transportation, and pioneer life in Dayton and the Miami Valley. It is home to a variety of collections, which document the area's history. While touring the Park, you may visit Newcom Tavern, Dayton's oldest standing building; view the Wright Flyer III; and board a 1903 Barney & Smith Parlor car. Antique automobiles, a working 1930's Print Shop, and vintage bicycles are some of the other exhibits you will see along the way. Enjoy lunch on your own at Dayton's upscale shopping and restaurant district, The Greene – featuring Cheesecake Factory, Chipotle, Panera, Subway, and many other dining choices.
